

Finance Policy & SOPs with Annual Sales Records

Sample Finance Governance & Reporting Document

1. Purpose

This document defines financial controls, reporting standards, and procedures including annual sales reporting for management review and compliance.

2. Scope

Applicable to finance, sales operations, accounting, and senior management involved in revenue tracking and financial decision-making.

3. Revenue Recognition

Sales revenue must be recorded accurately based on approved invoices and delivery confirmation in accordance with accounting standards.

4. Sales Reporting & Review

Annual sales data must be consolidated, reviewed, and approved by finance leadership before being used for forecasting and statutory reporting.

5. Compliance & Audit

All revenue records are subject to internal and external audits. Discrepancies must be resolved immediately.

Annual Sales Performance Record (Sample Data)

Financial Year	Total Sales (INR Crores)	YoY Growth (%)
2020–21	8.5	-
2021–22	10.2	20%
2022–23	12.8	25%
2023–24	15.4	20%
2024–25	18.1	18%
